We stayed @ our house during the storm. We got four feet of water and were praying that it would go down. My father (who has one leg) was on the counter as was our Rottweiller & Golden Retriever. My 10 yr old daughter was floating on a pillow & my husband & I took turns holding the refrigerator from falling on us

Write something special that you would like Santa to bring you or your family:

My husband & I would like a computer desk and my daughter wants 2 stuffed monkeys.

Please use back or another sheet of paper, if you want to write more. We want to hear your story.
